Wholistic Pediatrics, under the direction of David S Berger, MD, is one of the few medical practices in the world that offers individualized wholistic treatment plans prepared by a Board Certified Pediatrician. Because we also provide primary and sick care to our patients, we are able to provide comprehensive medical services for the special needs child. We have developed protocols that are age and weight specific to safely utilize both natural and pharmacological agents in the healing of the patient. We prescribe specific brands and products that we have thoroughly researched for safety and efficacy.
